# ABOUT

Hand designed in Australia by a mother and daughter duo AZURE and INDIGO offer the finest in resort inspired fashion with a contemporary twist.

**"Celebrating authentic femininity with a touch of bohemian escapism our elevated and beautiful pieces offer women an effortless sense of style."**

Our collections are ethically and sustainably crafted with both the environment and artisan makers in mind. This philosophy means we choose to work in sustainably sourced premium 100% cotton. With a focus on signature textures and bespoke embroideries all AZURE and INDIGO pieces are unique, offering treasured pieces designed to be worn for many seasons to come.

Choosing to support hand block printing and bespoke embroidery methods over machine based practices helps keep the traditional heritage of Indian craftsmanship alive.

We are proud to offer consciously crafted styles for women who love to celebrate life with a free-spirit and effortless sense of style.
